Warrant for Annual Town Meeting

FEBRUARY 7, 1927, and FEBRUARY 14, 1927

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To Donald F. Adams, a Constable of the Town of Chelmsford,

GREETING:

In the name of the Commonwealth aforesaid you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in their several Polling Places, viz:

Precinct 1, Town Hall Chelmsford Centre.
Precinct 2, Town Hall, North Chelmsford.
Precinct 3, Historical Hall, West Chelmsford.
Precinct 4, School House, East Chelmsford.
Precinct 5, Liberty Hall, South Chelmsford.
Precinct 6, Golden Cove, School House, Westland.

on Monday, the SEVENTH DAY of FEBRUARY, 1927, being the first Monday in said month at 12 o'clock noon, for the following purposes:
To bring in their votes for the following officers:

Moderator for one year.
One Selectman for three years.
One Overseer of the Poor for three years.
One Assessor for three years.
Town Treasurer and Collector of Taxes for one year.
One Member of the Board of Health for three years.
One Constable for one year.
One School Committeeman for three years.
Two Trustees of Adams Library for three years.
Tree Warden for one year.
One Insurance Fund Commissioner for three years.
One Cemetery Commissioner for three years.
One Park Commissioner for three years.
Town Clerk for three years.
Two Trustees of Adams Library for three years.
Tree Warden for one year.
One Insurance Fund Commissioner for three years.
One Cemetery Commissioner for three years.
One Park Commissioner for three years.
Town Clerk for three years.
All on one ballot.

(The polls will be open from 12 m. to 8 p. m.)

and to meet in the Town Hall of Chelmsford Center on the following
MONDAY, the FOURTEENTH DAY of FEBRUARY, 1927,

at 9.30 o'clock in the forenoon, then and there to act upon the following articles, viz:

ARTICLE 1. To hear reports of Town Officers and committees; or act in relation thereto.

ARTICLE 2. To raise and appropriate such sums of money as may be required to defray Town charges for the current year.

ARTICLE 3. To see if the Town will authorize the Selectmen to act as its agents in any suit or suits which may arise during the current year; also in such other matters as may arise requiring in their judgment the action of such agent, and to employ counsel therefor.

ARTICLE 4. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenues of the current financial year.

ARTICLE 5. To see if the Town will vote to appropriate from money already in the hands of the Treasurer, a sufficient sum with which to meet unpaid bills of 1926; or act in relation thereto.

ARTICLE 6. To see if the Town will vote to authorize the Selectmen to contract with the Lowell Electric Light Corporation at the then prevailing price per light for the following additional lights, and will raise and appropriate sufficient money to meet the expense thereof, viz:

One light on Littleton Road;
Three lights on Sunset Avenue;
Two lights on Middlesex Street;
One light on Shaw Street;
Eight lights on Old Westford Road;
Six lights on Twiss Road;
One light on Marion Street;
One light on Albina Street;
One light on Riverneck Road;
Two lights on New Fletcher Street;
Two lights on Sylvan Avenue;
One light on Maple Avenue;
One light on Golden Cove Road;
One light on Seneca Avenue;
One light on Dalton Road;
or act in relation thereto.

ARTICLE 7. To see if the Town will vote to appropriate out of money already in the hands of the Treasurer the sum of Two Hundred and Fifty Dollars (\$250), to cover the amount of the judgment against the Town in an action of tort brought by Ellen Herson, and the further sum of Fourteen and 20-100 Dollars (\$14.20) to cover the amount of the judgment against the Town in an action of tort brought by Arne Olsen; or act in relation thereto.

ARTICLE 8. To see if the Town will strike out Section eight (8) under the Police Regulations of the by-laws of the Town and substitute therefor and adopt as a part of said by-laws the following:

8. No person shall affix with paste or other means any bill, placard or notice or shall write any figures, words or device on any building, fence, pole or wall belonging to the Town and located therein; or act in relation thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars (\$400), or what other sum, and elect a director, the money to be expended by and the director to serve in co-operation with the Middlesex County Trustees for County Aid to Agriculture in the work of the Middlesex County Extension Service, under the provisions of Sections 40 to 45, Chapter 128, General Laws of Massachusetts.

ARTICLE 10. To see if the Town will vote to authorize the Selectmen to transfer to the jurisdiction of the Town Forestry Committee that part of the Town Farm property adjacent to the intersection of the Turnpike Road and the Russell Mill Road, consisting of approximately thirty-five acres; or act in relation thereto.

ARTICLE 11. To see if the Town will vote to accept Section 25-A, Chapter 14 of the Acts of 1921, which reads as follows:

"In towns which accept this section the assessors may appoint and remove citizens of the town as assistant assessors, who shall, subject to the supervision of assessors, act as assistant assessors of the town and shall have all necessary powers therefor.

In this section the word towns shall not include cities."

or act in relation thereto.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of Four Hundred and Fifty (\$450), or what other sum, for the purpose of grading and re-surfacing Marshall Road; or act in relation thereto.

ARTICLE 13. To see if the Town will raise and appropriate from money already in the hands of the Treasurer, the sum of Twelve Hundred Dollars (\$1200), or what other sum, for the purpose of grading the grounds at the rear and sides of the schoolhouse situated on Dalton Road; or act in relation thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of Twenty-Two Hundred Dollars (\$2200), or what other sum for the purpose of grading and installing macadam walks and drips at the Quessey School, so called, at West Chelmsford; or act in relation thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of Thirty-Five Hundred Dollars (\$3500), or what other sum for the purpose of installing a flush toilet system at the Quessey School, so called, at West Chelmsford; or act in relation thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of Twenty-Eight Hundred Dollars (\$2800), or what other sum for the purpose of installing a new heating unit at the South Chelmsford School; or act in relation thereto.

ARTICLE 17. To see if the Town will appoint two persons who with the School Committee will constitute a committee to study the general school-housing conditions of the Town with special references to the school-housing conditions at North Chelmsford and the possible erection of a new grade school at North Chelmsford, and report their conclusions and recommendations at some subsequent meeting; or act in relation thereto.

ARTICLE 18. To see if the Town will appoint a committee of three consisting of a member of the School Committee and two others to investigate and report at the next Town Meeting whether special or annual on the matter of procuring additional land for playground purposes at the East School so called; or act in relation thereto.

ARTICLE 19. To see if the Town will vote to raise or borrow the sum of Eleven Thousand Dollars (\$11,000), or what other sum, for the purpose of continuing the construction of the Acton Road, rebuilding the Littleton Road, the Lowell Road and Central Square, each so called, two-thirds of the expense to be borne equally by the Commonwealth and County of Middlesex; or act in relation thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate a sufficient sum of money with which to build a shed at the rear of the Town Hall, Chelmsford Center, for the use of the Highway Department; or act in relation thereto.

ARTICLE 21. To see if the Town will accept and allow Oak Knoll Avenue as laid out by the Selectmen as shown by their report duly filed in the office of the Town Clerk, or act in relation thereto.

ARTICLE 22. To see if the Town will accept and allow Manning Road as laid out by the Selectmen as shown by their report duly filed in the office of the Town Clerk, or act in relation thereto.

ARTICLE 23. To see if the Town will accept and allow Stearns Street as laid out by the Selectmen as shown by their report duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 24. To see if the Town will vote to discontinue so much of the Twiss Road, so called, as is located between Main Street, otherwise known as the West Chelmsford Road, on the north and a line marked by two stone posts at the southerly terminus of the Twiss Road as re-located, on the south; or act in relation thereto.

ARTICLE 25. To see if the Town will accept and allow New Twiss Road as laid out by the Selectmen as shown by their report duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000), or what other sum, for the purpose of grading, grassing and improving the Common at Chelmsford Center; or act in relation thereto.

ARTICLE 27. To see if the Town will authorize the superintendent of streets, under the general supervision of the Board of Selectmen, to change the lay-out of Central Square Park located at Chelmsford Center; or act in relation thereto.

ARTICLE 28. To see if the Town will vote to transfer the control and management of the Town dump located off Warren Avenue to the Board of Health; or act in relation thereto.

ARTICLE 29. To see if the Town will vote "That refunds to the town from money paid out of appropriations of the Board of Health be credited to the appropriations from which they were paid"; or act in relation thereto.

ARTICLE 30. To see if the Town will accept from Fred E. Varney, M. D., the gift of a certain lot of land containing about six acres located on the shore of Leach's Pond in that part of Chelmsford known as North Chelmsford, the same to be conveyed by his deed which will be exhibited at this meeting dated December 23, 1926, subject to the express reservation and condition that said land is to be forever kept open as and for a public playground or recreation center under the provisions of Chapter 45, Section 14 of the General Laws, and that such playground be named and known as "The Varney Playgrounds"; or act in relation thereto.

ARTICLE 31. In the event of affirmative action under the preceding article to see if the Town will raise and appropriate the sum of Thirty-Six Hundred Dollars (\$3600), or what other sum, with which to grade and improve the land to which reference is made in the preceding article for the purposes of a playground or recreation center; or act in relation thereto.

ARTICLE 32. To see if the Town will appoint a committee to consider and report at some future meeting as to what changes and improvements, if any, should be made in Vinal Square at North Chelmsford; or act in relation thereto.

ARTICLE 33. To see if the Town will appoint a committee to consider and report at some future meeting as to the advisability of constructing a sidewalk on Gorham Street, so called; or act in relation thereto.

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of Nineteen Thousand Dollars (\$19,000), or what other sum, for the purpose of building a fire station on Middlesex Street at North Chelmsford on land previously acquired by the Town for such purpose; or act in relation thereto.

ARTICLE 35. In the event of affirmative action under the preceding article to see if the Town will appoint a committee to have charge of the building of such a fire station; or act in relation thereto.

ARTICLE 36. To see if the Town will vote to raise and appropriate the sum of Seventy-Five Hundred Dollars (\$7500), or what other sum, for the purpose of remodelling for the use of the Fire Department, the grammar school house situated on the North Road at Chelmsford Center; or act in relation thereto.

ARTICLE 37. In the event of affirmative action under the preceding article, to see if the Town will appoint a committee to have in charge of the remodelling of said grammar school house; or act in relation thereto.

ARTICLE 38. To see if the Town will vote to appropriate from money already in the hands of the Treasurer, a sum not exceeding Two Thousand Dollars (\$2000) to be used as a Reserve Fund at the discretion of Finance Committee, as provided in General Laws, Chapter 40, Section 6; or act in relation thereto.

ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars (\$400), or what other sum, for State Aid; or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Center of the town South Chelmsford, North Chelmsford, and West Chelmsford, and at the School House, East Chelmsford, and at the Golden Cove School House, Westlands seven days at least before the time appointed for holding the first meeting aforesaid.

HEREOF FAIL NOT, and make return of this Warrant, with your doings thereon to the Town Clerk at the time and place of holding the first meeting aforesaid.

Given under our hands this twenty-second day of January, in the year of our Lord nineteen hundred and twenty-seven.

GEORGE RIGBY,
ROBERT W. BARRIS,
RALPH P. ADAMS,
Selectmen of Chelmsford.

A true copy. Attest:

DONALD F. ADAMS.

Constable of the Town of Chelmsford.

HAROLD C. PETTERSON,
Town Clerk.

BUSINESS MEETING

FEBRUARY 14TH, 1927

At a legal meeting of the inhabitants of the Town of Chelmsford qualified to vote in town affairs held pursuant to Warrant duly posted at the upper Town Hall, at Chelmsford Centre, Monday, February 14th, 1927, at 9.30 a. m., the following business was transacted, to wit:

The meeting was called to order by Moderator Walter Perham and on a motion made by Selectman George Rigby it was voted to waive the reading of the Warrant by the Town Clerk.

Under Article 1. To hear reports of town officers and committees, Rev. Wilson Waters reported for the committee appointed to mark historic spots in the town, he explained that markings had been established marking the home of the first minister in town at what is called the Railroad House, also a marking had been placed on Bridge street defining the Town Pound in the early days of Chelmsford, and a spot on the Middlesex Canal where it crosses Riverneck Road was to be marked, the expense of this marking to be borne in part by the Lowell Historical Society. This report placed on file and the committee to continue in office.

Frank J. Lupien reported for the committee in charge of obtaining plans and estimates of grading the Athletic Field at the rear of the High School plans were exhibited showing the layout of a baseball diamond, cinder track, tennis court, etc., and it was explained by Mr. Lupien that the approximate cost of such grading and construction would be in the vicinity of \$25,000.00, but at this time the committee was not disposed to recommend any amount to be expended at once, although they believed that the outfield of the baseball grounds should be repaired, as it was now in a dangerous condition to play on. Mr. Lupien filed at this time the prepared plans for future use with the Town Clerk. It was voted to receive this report and place the same on file.

It was voted to accept the Town Report as printed, with corrections of typographical errors.

Under Article 2. On a motion made by Representative Edward J. Robbins, it was voted to lay Article Two on the table until after the noon recess.

Under Article 3. On a motion made by Selectman George Rigby, it was voted that the town authorize the selectmen to act as its agent in any suit or suits which may arise requiring in their judgment the action of such agent and to employ counsel therefor.

Under Article 4. On a motion made by Selectman George Rigby, it was voted that the Treasurer be and he hereby is authorized and empowered to borrow money with the approval of the selectmen from time to time in anticipation of the revenue of the financial year beginning Jan. 1st, 1927, and to issue a note or notes therefor payable within one year any debt or debts incurred under this vote to be paid from the revenue of such financial year.

Under Article 5. On a motion made by Town Clerk Harold C. Petterson, it was voted to raise and appropriate the sum of \$3638.56 to pay unpaid bills for the year 1926.

Under Article 6. On a motion made by J. Carroll Monahan, Chairman of the Finance Committee, it was voted that the sum of \$210.00 be raised and appropriated to provide for the installation of ten additional street lights in locations to be determined by the selectmen and the selectmen to make a survey of the present street lighting system and to report their recommendations as to what changes, if any to be made, so as to improve the present system.

Under Article 7. On a motion made by Selectman George Rigby, it was voted that the sum of \$250 be appropriated out of money already in the hands of the Treasurer with which to pay the amount of the judgment against the town in an action of tort brought by Ellen Herson in the Superior Court for Middlesex County and the further sum of \$14.20 to pay the amount of judgment against the town in an action of tort brought against the town by Arne Olsen in the District Court of Lowell.

Under Article 8. On a motion made by Selectman George Rigby, it was voted to discuss this Article in regards to police regulations, on account of incorrect wording.

Under Article 9. On a motion made by Selectman George Rigby to appropriate the sum of \$400.00, the money to be expended by and the director to serve in co-operation with the Middlesex County Trustees for aid to agriculture in the work with the Middlesex County Extension Service under the provisions of Sections 40 to 45, Chapter 128, General Laws of Massachusetts, an amendment was made by Town Clerk Harold C. Petterson that the sum of \$300.00 be appropriated and the director to be Perley Kimball. The amendment was carried and it was so voted.

Under Article 10. On a motion to lay this Article on the table until after the noon recess, it was so voted.

Under Article 11. On motion made by Assessor Herbert C. Sweetser to accept Section 25-A, Chapter 14, Acts of 1921, regards the appointment of deputy assessors. This motion was defeated.

Under Article 12. On a motion made by J. Carroll Monahan to dismiss this Article in regards to grading and resurfacing Marshall Road so-called. This motion was carried and the Article defeated.

Under Articles 13-14-15-16-17-18 and 19. On a motion made by Selectman George Rigby it was voted to lay these Articles on the table until after the noon recess.

Under Article 20. On a motion made by George Rigby, in regards to building a shed in the rear of the Chelmsford Centre Town Hall, it was voted to dismiss this Article.

Under Article 21. On a motion made by Selectman Robert W. Barris, it was voted to accept and allow Oak Knoll Ave. so-called, in East Chelmsford as laid out by the selectmen as shown in their report duly filed in the office of the town clerk.

Under Article 22. Regarding the acceptance and allowance of Manning Road so-called in East Chelmsford, on a motion made by Selectman George Rigby it was voted to dismiss this Article.

Under Article 23. In regards to the allowance and acceptance of Stearns Street so-called in East Chelmsford on a motion made by Selectman George Rigby it was voted to dismiss this Article.

Under Article 24. On a motion made by Selectman George Rigby, it was voted to discontinue so much of the Twiss Road so-called, as is located between Main Street, otherwise known as the West Chelmsford Road, on the north and a line marked by two stone bounds at the southerly terminus of the Twiss Road as relocated, known as the new Twiss Road on the south and the same is hereby discontinued as public way.

Under Article 25. On a motion made by Selectman George Rigby it was voted to allow and accept that part of the new Twiss Road, so-called as laid out by the selectmen on Jan. 29, 1927, as shown in their report duly filed in the office of the town clerk.

Under Articles 26 and 27. It was voted to lay these Articles on the table until after the noon recess.

Under Article 28. On a motion made by Selectman George Rigby, it was voted that the control and management of the town dump so-called, off Warren Ave., be transferred from the Board of Selectmen to the Board of Health.

Under Article 29. In regards to refunds being credited to the Board of Health accounts, on a motion made by J. Clark Osterhout to dismiss this Article. It was so voted.

Under Articles 30-31. It was voted to lay these Articles on the table until after the noon recess.

Under Article 32. On a motion made by Selectman George Rigby, it was voted to appoint a committee to consider and report at the next Annual Town Meeting as to what changes and improvements if any should be made at Vinal Square at North Chelmsford and the following committee is appointed: Dr. Fred E. Varney, J. Carroll Monahan and George W. Day.

Under Article 33. On a motion made by Selectman George Rigby that a committee be appointed to consider and report at the next Annual Town Meeting the advisability of constructing a sidewalk on Gorham street so-called at East Chelmsford, and that the following committee be and are hereby appointed: Selectman Robert W. Barris, James A. Grant and Patrick S. Ward. Mr. Barris made an amendment that the Tyngsborough Road be included and Mr. Shanks made an amendment that Chelmsford Street be added. Mr. Shanks' amendment carried and it was so voted.

On a motion made by George Rigby that Article 38 be taken up at this time. A two-thirds vote was necessary and 91 voted yes, and 2 voted no.

Under Article 38. On a motion made by Selectman George Rigby, it was voted to raise and appropriate the sum of \$2000.00 as a reserve fund to be used as provided in General Laws Chapter 40, Section 6, under the discretion of the Finance Committee.

On a motion made by George Rigby to take up Article 39, a two-thirds vote being necessary, 72 voted yes and no one voted no.

Under Article 39. On a motion made by Selectman George Rigby, it was voted to raise and appropriate the sum of \$400.00 for State Aid.

At this time it was voted to hold a noon recess and the meeting was adjourned until 1 p. m.

At 1 p. m. the meeting was called to order by Moderator Walter Perham and it was voted to take from the table Article 2.

Insurance Sinking Fund\$ 3,500.00

Under Article 10. Regarding the transferring of the jurisdiction of a certain tract of land at the town farm to the town forestry committee. It was voted to dismiss this Article.

It was voted at this time that all Articles that were laid on the table until after the noon recess be taken up in their regular order.

Under Article 13. In regards to the appropriation of \$1200.00 with which to grade the Westlands school grounds, it was voted to dismiss this Article.

Under Article 14. In regards to appropriating \$2200.00 for the purpose of grading and installing macadam walks and drips at the Quessy school. It was voted to dismiss this Article.

Under Article 15. It was voted to raise and appropriate the sum of \$3500.00 for the purpose of installing a flush toilet system at the Quessy School, the money to be expended by the School Committee.

Under Article 16. It was voted to raise and appropriate the sum of \$2800.00 with which to install a new heating system at the South Chelmsford School House, the money to be expended by the School Committee.

Under Article 17. Under this Article it was voted to appoint the School Committee, Dr. Fred E. Varney, and Royal Shawcross a committee to study the general school housing conditions at North Chelmsford and the possible erection of a new grade school at North Chelmsford and to report their conclusions and recommendations at some subsequent meeting.

Under Article 18. It was voted to appoint Mr. Fred Mosely, Mr. James Hill and Mr. Frank J. Lupien a committee of three to investigate and report at the next Town Meeting whether Annual or Special, the matter of procuring additional land for playground purposes at the East Chelmsford School so-called.

Under Article 19. It was voted that the sum of \$6000.00 be raised and appropriated to be expended as follows: \$1000.00 to be expended on the Littleton Road so-called from the termination of the present state highway to the N. Y., N. H. & H. R. R. tracks, \$2000.00 to be expended on the Acton Road and \$3000.00 to be expended on Chelmsford Street so-called, or sometimes called the Lowell Road, beginning at the termination of the present macadam road near Wilson Street and going in the direction of the Chelmsford-Lowell line to the present state highway line, under the specific conditions that the Commonwealth of Massachusetts and the County of Middlesex contribute a like sum, namely, \$6000.00 each.

Under Article 26. The committee appointed to report on improving the Common at Chelmsford Centre reported through its chairman, Fred L. Fletcher and said that upon obtaining estimates from the plan which they had drawn, for the purpose of grading said Common it would cost between \$4000.00 and \$5000.00 to grade the entire area, they believing that at this time the town was not in a financial condition to stand the full amount, recommended that the town appropriate for this purpose \$500.00 which would grade a portion around the monument.

Mr. Fred L. Fletcher made a motion that the sum of \$500.00 be raised and appropriated for the purpose of grassing and grading and improving the Common at Chelmsford Centre. An amendment to this motion was made by Mr. Fred E. Varney that \$1000.00 be raised and appropriated for this purpose. The amendment was defeated and the original motion of Mr. Fred L. Fletcher was carried.

Under Article 27. In regards to changing the layout of Central Square Park, so-called it was voted to dismiss this Article.

Under Article 30. It was voted to accept with gratitude from Fred E. Varney, M. D., the gift of a certain lot of land containing about six acres located on the shore of Leach's Pond in that part of Chelmsford known as North Chelmsford, the same to be conveyed by his deed which has been exhibited at this meeting dated Dec. 23, 1926, subject to the express reservations and conditions that said land is to be forever kept open as and for a public playground or recreation center under the provisions of Chapter 45, Section 14 of the General Laws, and to be named and known as "The Varney Playgrounds."

Under Article 31. On a motion made by Dr. F. E. Varney it was voted to dismiss this Article in regards to an appropriation for grading the plot of land accepted in the previous Article.

Under Article 34. It was voted to accept the following report and place the same on file, as follows: At a Special Meeting held on Wednesday Evening, June 9th, 1926, under Article 12, a committee of three were appointed namely, Harry L. Shedd, Edward J. Robbins and Bayard C. Dean to procure plans and specifications for a fire house at North Chelmsford and report at the next Annual Town Meeting, your committee respectfully submits the following report: Your committee met at North Chelmsford on June 14, 1926, and organized as follows, Harry L. Shedd, chairman and Bayard C. Dean secretary. A tour of inspection of fire houses was made by the full committee and in addition to the committee Chief Ryan of North Chelmsford department. Several fire houses were viewed. Your committee decided that a fire house in

Billerica Centre came the nearest to fulfilling the requirements at North Chelmsford. Several architects were invited to submit plans and specifications, but only one responded, Mr. Albert MacNaughton of Arlington, who furnished plans and specifications for the Billerica fire house. Your committee received bids from six different contractors. The bids ranged from \$24,875.00 for two story and \$21,400.00 for one story, without heat, to \$13,900.00 two story \$11,600.00 one story complete. You will note in Article No. 34 that an appropriation of \$19,000.00 is asked for. This was necessary because we did not have any official bids to go by, all we had was an estimate. Your committee recommended that an appropriation of \$15,000.00 if it is decided to build the two story house and \$12,500.00 if the one story house. The committee will leave plans and specifications in the hands of the Moderator so that any citizen who wishes may view them.

Signed,

HARRY L. SHEDD,
EDWARD J. ROBBINS,
BAYARD C. DEAN,
Committee.

On a motion made by Mr. Shedd to raise and appropriate the sum of \$12,500.00 for the purpose of building a new fire house at North Chelmsford the motion was defeated.

Under Article 35. In regards to the appointment of a committee to build a fire station at North Chelmsford this Article became automatically dismissed.

Under Article 36. In regards to remodelling the old grammar school on the North Road at the Centre for fire house purposes it was voted to dismiss this Article.

Under Article 37. In regards to the appointment of a committee to remodel the old grammar school on the North Road at the Centre this Article became automatically dismissed.

It was voted to appropriate from the excess and deficiency account the sum of \$10,000.00 to be used by the assessors as free cash to apply toward appropriations made in 1927.

On a motion made by Selectman Robert W. Barris a rising vote of appreciation was given the Finance Committee for the untiring effort and splendid explanation made by them in their report and recommendations.

Voted to adjourn at 4.05 p. m.

WALTER PERHAM, Moderator.

HAROLD C. PETTERSON, Clerk.

HAROLD C. PETTERSON, Clerk.

WARRANT FOR SPECIAL TOWN MEETING
COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To John E. Johnson, a constable of the Town of Chelmsford:

GREETING:

In the name of the commonwealth aforesaid, you are required to notify and warn the legal voters of said Chelmsford, to meet in the Upper Town Hall, at Chelmsford Centre, on Monday, the Twelfth day of December current, at eight o'clock in the evening, then and there to act upon the following articles, viz.:

ARTICLE 1. To see if the town will vote to authorize the school committee to sell and convey in behalf of the town, by a good and sufficient deed the old North Row School, so-called, including both land and buildings and being the same premises conveyed to the town by Asa and Elbridge G. Spalding by deed dated July 2, 1875 and recorded in the Middlesex North District Registry of Deeds, Book 110, Page 352, to Frank J. Garvey, of North Chelmsford, Massachusetts, for the sum of five hundred and fifty dollars; or act in relation thereto.

And you are directed to serve this Warrant by posting attested copies thereof at the Post Offices in the Centre of the town, South Chelmsford, North Chelmsford, West Chelmsford, at the school house in East Chelmsford and at the Golden Cove School House, Westlands, seven days at least before the time appointed for holding the meeting aforesaid.

Hereof fail not, and make return of this Warrant with your doings thereon, to the Town Clerk, at the time and place of holding the meeting aforesaid.

Given under our hands the fifty day of December, in the year of our Lord, nineteen hundred and twenty-seven.

ROBERT W. BARRIS,
RALPH P. ADAMS,
GEORGE RIGBY,
Selectmen of Chelmsford, Mass.

I have served the foregoing Warrant by posting attested copies thereof more than seven days at least before the time of said meeting, as directed by vote of the town and by the foregoing order.

JOHN E. JOHNSON,
Constable of the Town of Chelmsford.

SPECIAL TOWN MEETING

December 12, 1927

At a legal meeting of the inhabitants of the Town of Chelmsford qualified to vote in town affairs, held pursuant to Warrant at the Upper Town Hall, at Chelmsford Centre, Monday Evening, Dec. 12, 1927, at 8 o'clock p. m., the following business was transacted, to wit:

The meeting was called to order by Town Clerk Harold C. Pettersen, who stated that the Moderator being absent, the first business to come before the meeting would be the election of a Moderator pro-tem, Mr. Rigby nominated John J. Monahan and no other nominations being made, it was unanimously voted that John J. Monahan be elected moderator pro-tem.

After qualifying as Moderator, Mr. Monahan called the meeting to order and the Warrant was read by the Town Clerk, Harold C. Pettersen.

Under Article 1. On a motion made by Robert W. Barris, it was voted unanimously that the School Committee of the Town of Chelmsford be authorized and empowered to sell and convey in behalf of the Town of Chelmsford, by a good and sufficient quitclaim deed to Frank J. Garvey, of North Chelmsford, for the sum of five hundred and fifty dollars, the old North Row School House, so-called, including both land and buildings and more particularly described in a deed from Asa and Elbridge G. Spalding to the Town of Chelmsford, dated July 2, 1875, and recorded with the Middlesex North District Registry of Deeds, Book 110, Page 352.

Voted to adjourn at 9.45 P. M.

HAROLD C. PETTERSON,
Town Clerk.

JOHN J. MONAHAN, Moderator.

VITAL STATISTICS

For the Year Ending December 31, 1927

Attention is called to the following Vital Statistics: It is important that these records shall be correct. If any errors are discovered the Town Clerk will deem it a favor to have them reported at once, so that corrections may be made.

As required by Chapter 16, Section 15, General Laws of Massachusetts, notice is hereby given that the Town Clerk will furnish blanks for returns of births to parents, householders, physicians and registered hospital officers applying therefor.

HAROLD C. PETTERSON,
Town Clerk.

TOWN ACCOUNTANT'S REPORT

January 1st, 1928.

To the Honorable Board of Selectmen and to the Citizens of Chelmsford:

I herewith present my annual report in accordance with Chapter 624, Section 7 of Revised Laws. I have also presented all such other financial matters as may be of general interest.

If there is any part of this report which is not perfectly clear to the reader the Town Accountant will be only too glad to explain the item on request.

All transfers made and shown in this report were authorized by a vote of the Finance Committee of the Town of Chelmsford.

Expended from Revenue:

Agency Trust and Investment

State Tax	\$ 16,920.00
Auditing Municipal Accounts	143.94
Repairs to State Highways	4,227.18
County Tax	16,581.65
Chelmsford Water District	4,186.62
North Chelmsford Fire District	1,747.48
Cemetery Perpetual Care Funds	700.00
Temporary Loans	160,000.00
	<hr/>
	\$485,636.16

Funds Transferred from Reserve to Departments..... 1,432.90

Total Expenditures for 1927\$484,203.26

FOOT NOTE—Under the classification “Enterprises and Cemeteries” you will notice against the account “Care and Improvement” in the second and third column the amount \$1041.50 and in the fourth column you will notice the amount expended \$1078.50 or \$37.00 in excess, this occurs owing to the fact that the treasurer has not drawn from Trust Funds the amount expended in 1927 for the care of certain cemetery lots, payment having been made by the town. Also under the classification “Interest and Maturing Debt” you will notice in the second and third column against “Interest” the sum of \$11,903.00 the actual payments for interest in the fourth column is \$12,595.61, or \$692.61 in excess, this occurs owing to the fact that the Town Accountant in estimating the amount of interest to be raised by taxation underestimated to this amount, consequently you will notice that under the item Deficit, there stands the amount \$729.61, made up from the above figures \$37.00 and \$692.61.

CEMETERY COMMISSIONERS' REPORT

To the Board of Selectmen, Chelmsford, Mass.
Gentlemen:

The Cemetery Commissioners submit the following report.

In Forefathers' the usual care has been given. The old section we reset the old slate and hope to make more improvement next year. Sunken graves, walks and avenues regraded.

In Pine Ridge the flower beds were dug over ready for re-planting also walks and avenues kept in good condition. Owing to the graveling been so well done in the main avenues by our Supt. of Streets we will not have the mud as in years past.

In Hart Pond the old section has been re-graded and is a great improvement to the cemetery. No lots were sold but three lots regraded and put in perpetual care.

In Riverside the usual care and improvement was given. We intend to move the tool house and make more room for lots.

In Fairview we re-located Twiss road and have done some re-grading also the general care given.

In West Chelmsford the main entrance was washed so badly during the heavy rains that we re-graveled and rolled it but more work will have to be done on it this year as every rain storm washes it out badly.

The old tool house was taken down and a new one erected in the rear of the cemetery.

The general care and improvemet was given by our new Supt. Mr. Taylor who succeeded Mr. Whidden.

The Cemetery Commissioners feel that all the cemeteries are showing more improvement each year with the small appropriations we have to work with.

Respectfully submitted,

ARTHUR O. WHEELER
BAYARD C. DEAN
RALPH P. ADAMS

REPORT OF INSPECTOR OF ANIMALS

Board of Selectmen.

Gentlemen:

A report of the Inspection of Animals for the year 1927 follows.

Twenty cases of dogs biting persons have been reported to me during the past year, all have been thoroughly investigated and the proper action taken in each case, none of these dogs developed rabies.

Early in February a dog that had been in quarantine two years before because he was suspected of having been in contact with a rabid dog suddenly developed a bad case of rabies and ran at large through the south part of the town for one night and part of the next day before being captured.

Fortunately no person was known to have been bitten by this dog but many hens were killed and many dogs were in contact with him, seventeen of which were quarantined for the regulation period. Six dogs later developed rabies and six more were killed while in quarantine. No person was known to have been bitten by these rabid dogs but several took the Pasteur treatment as a precautionary measure.

The present outbreak of rabies around Boston has not yet reached this town although some of our neighboring towns are under a strict quarantine.

One tuberculous cow was quarantined and killed.

No cases of glanders or hog cholera were observed.

The annual inspection of all stables was made as usual early in the year. There were 946 dairy cows, 164 young cattle, 20 bulls, no oxen, 340 swine, 2 sheep and 4 goats in the 209 stables.

ARNOLD C. PERHAM, Inspector of Animals.

ANNUAL REPORT OF BOARD OF FIRE ENGINEERS

To the Selectmen of Chelmsford, Mass.
Greeting:

In accordance with the usual custom, your committee submit their report for the year ending December 31, 1927.

The Board of Fire Engineers appointed annually by the Board of Selectmen organized this year with Arnold C. Perham as Chief of the Department, Archibald Cooke as first Assistant Engineer and Samuel S. Kershaw as Second Assistant Engineer and Archibald Cooke as Clerk of the Board.

The District Chiefs appointed by the Board of Engineers are:

Wilhelm T. Johnson	District No. 1.
Percy T. Robinson	District No. 2.
Anthony B. Anderson	District No. 3.
Otto Grantz	District No. 4.
Sidney E. Dupee	District No. 5.

This Department the past year has responded to 73 calls for fires within the Town area, and 7 calls for fires in adjoining Towns.

The building property in Town actually endangered by fires amounted to \$365,825 and the total loss caused by these fires amounted to \$11,615.

The Board wishes to call the attention of the citizens to the State Law that permits are required on the following:

To store or sell gasoline.

To conduct a public garage.

To keep store or sell fireworks.

To light fires in the open between March 1, and December 1.

To maintain fuel oil burners.

To blast and transport explosives.

Permits and Certificates issued during the year 1927 are as follows:

Gasoline Permits	7
Transfers	8
Certificates of Registration (gasoline storage)	56
Fireworks Permits	5
Blasting Permits	21
Removal Permits (gasoline tanks)	3
Permits to transport on the highways of the Town Powder and Dynamite	3
Permits to install fuel oil burners	1

Also an investigation to check up on the storage of dynamite in Town.

Your attention is called to the law requiring persons storing explosives (which includes gasoline) to obtain a permit from the Chief of the Department, after obtaining a license from the Selectmen

Careful consideration should be given the Center and North Villages regarding new fire stations, we recommend that suitable fire houses be constructed.

The alarm system has been greatly improved this year. In the Center Village alarm wire has been installed on Acton, High and Bartlett Sts. And we have installed three new alarm boxes, one at the corner of High and Acton Sts. one on Bartlett St. near corner of High St. and one at Fletcher Square. And one box in the Westlands at the junction of Chelmsford St. and Dalton Rd.

In the North Village we have re-placed about one mile of wire, and installed two new alarm boxes, one at the corner of Middlesex and Darnmouth Sts. and one at the corner of West Chelmsford and Groton Roads. In the West Village the battery system has been changed which will greatly improve the alarm system in that part of the Town.

The Board recommends the gradual extension of the Fire Alarm System each year.

We have made a change in the location of the apparatus at the North Village, it now being located at the garage of the District Chief in Vinal Square, by so doing better service has resulted as well as a saving in maintenance costs.

The Board of Fire Engineers wish to extend our thanks to the Police Department for assistance rendered at fires.

A FEW RULES FOR AVOIDING FIRES

Ashes, whether inside or outside of the house should be placed in metal receptacles.

Combustible rubbish should not be allowed to accumulate, if rubbish is burned out-of-doors, start the fires a safe distance from buildings and never light them on windy days, keep children away.

If kerosene lamps are used, keep them clean and well filled, for those allowed to burn with little oil in them are liable to explode. Filling should be done in daylight, never when a lamp is lighted.

Screen all fire-places in which a fire is burning.

Clothes should not be hung too close to hot stoves or stove pipes.

Use an electric torch when exploring a dark closet.

Frozen water pipes are safely thawed by wrapping them in cotton cloths, kept saturated with hot water.

A candle in the house is dangerous under any circumstances, if it is absolutely necessary to use one, it should be fitted tightly into a sturdy candle-stick having a wide base, and kept out of drafts and away from anything that will catch fire.

Kerosene should not be used to enliven a fire nor poured into a range or furnace even when the fire is out.

Respectfully submitted,

ARNOLD C. PERHAM

ARCHIBALD COOKE

Board of Fire Engineers.

REPORT OF NORTH CHELMSFORD LIBRARY CORPORATION

The Directors of the North Chelmsford Library Corporation beg to submit the following report for the year 1927.

On Dec. 21, the annual meeting of the Corporation was held in the Library rooms. Reports of the various officers were read and approved and placed on record.

Librarian reports the following record: Sessions for the library 150. Circulation for the library 15,587, an increase of 2,135 over that of last year. Borrowers last year 1,122. Books now in circulation 9,324.

Four books were lost and have been replaced, also a number of other books which are in constant circulation have been replaced.

ARTHUR O. WHEELER, Pres.

LORRAINE S. BUTTERFIELD

ALICE E. FREEZE

Replaced Books	27
Books Rebound	213
New Borrowers	108

GIFTS FOR 1927

Spinning Wheel from Mr. Eben Marshall. Spinning Wheel from Miss Grace Lawrence. Newspaper clippings relating to Chelmsford from Mr. C. C. Swan of Lowell. Bound volume of the New England Palladium, Boston, 1805, from the estate of Miss M. B. Raynes. Art Pictures from Miss Susan Emerson.

The Library is indebted to Herbert C. Sweetser for a subscription to the "National Republic."

Teach the young to love good books, for as has been said: "He who loves not books before he comes to thirty years of age will hardly love them enough afterwards to understand them."

"Books are the true levellers. They give to all who faithfully use them the society, the spiritual presence, of the best and greatest of our race.

"When a book raises your spirit, and inspires you with noble and courageous feelings, seek for no other rule to judge the work by; it is good, and made by a good workman."

"Books are the best things, well used; abused, among the worst."

"There is first the literature of Knowledge, and secondly, the literature of Power. The function of the first is—to teach; the function of the second is—to move; the first is a rudder, the second an oar or sail. The first speaks to the mere discursive understanding; the second speaks ultimately, it may happen, to the higher understanding or reason, but always through affections of pleasure and sympathy."

Respectfully submitted,

JOHN E. JOHNSON

HAROLD C. KING

Regular Police Officers.

Town of Chelmsford.

REPORT OF THE HEALTH DEPARTMENT

To the Citizens of Chelmsford the following reports should be of unusual interest.

First, the Immunization of 353 school children, 53 pre School children, and 2 Teachers, has prevented in a large measure the spread of the disease, holding it down to five cases of Diphtheria and Lowell so near with an epidemic that started the immunization there in earnest.

Arrangement with Walter D. Falls, Druggist at the Center will enable the Doctors to procure the Toxin Anti Toxin for the prevention of Diphtheria, the toxin is furnished by the State Free, and is changed from time to time always keeping it fresh. Your family doctor can get it free, so there will be no reason why your child should have this disease.

A new list of quarantine regulations will be issued soon conforming to the State regulations, also conforming to associations of local Boards of health, a Copy to be placed in each School room, and in each house Quarantined, and the Board kindly asks all persons to strictly observe the rules, as by doing that a lot of sickness can be prevented and the board stands ready to do anything possible for the health of the Town.

The Board wishes to thank the Doctors Scoboria and Varney also the Agent and School Nurse Miss Sheehan for the excellent work they have done during the past year ready at any time to help the board.

We also wish to thank Dr. George M. Sullivan District Medical Health Officer for the help and advice he has given the Board being ready at all times to serve when called.

G. A. McINTOSH
J. C. OSTERHOUT
G. A. McNULTY

Mr. George McIntosh,
Chairman Board of Health,
Chelmsford, Mass.

Kindly accept my report for the year ending December 31, 1927.
Following are the reports of clinics:

REPORT OF COMMUNICABLE DISEASES

	Number
Chicken Pox	18
Diphtheria	5
Erysipelas	1
German Measles	1
Infantile Paralysis	5
Lobar Pneumonia	8
Malaria	1
Measles	4
Mumps	15
Scarlet Fever	10
Septic Sore Throat	1
Typhoid Fever	2
Tuberculosis	3

Since 1923 one of the most worthy health movements by the Board of Health was the immunization of children against diphtheria. This treatment has proved effective in limiting the ravages of what was once the most dreaded scourges of childhood.

Another valuable clinic is for the underweights which is to discover tuberculosis. The examiners have found sixteen cases of hilum tuberculosis in our schools. These children were first examined in October 1926 and were re-examined one year later showing only four improved six unimproved three absent three refusing—the latter is an acceptance of an early death; as these three do not even seek medical advice from any physician. Sanatorium treatment is recommended where children continually fail to improve. Some of the other causes due to underweight are fatigue, inadequate sleep or food, excessive social activities and defects also additional factors such as poor ventilation at night and insufficient rest periods during day.

Communicable disease can be reduced by the willingness on the part of the sick person to first consult a doctor to find out if it is an infectious disease then it is the duty of a good citizen to comply with the Board of Health. The Board of Health was the first in this State to adopt the special milk bottle for quarantine period which was recommended by the milk inspector.

The gentlemen of the Board of Health have shown their interest by their presence at all clinics obtaining speakers relative to health work for associations inspecting schools having disinfected classrooms and barges wherever communicable disease was present and if a questionable case of infection arises they have always given it immediate attention. These are only a few of the services rendered by this Board.

I greatly appreciate and hope that the townspeople value the work of the Board of Health.

Very truly yours,

MARY E. SHEEHAN, R. N.

MILK INSPECTOR'S REPORT

To the Board of Health,
Chelmsford, Mass.
Gentlemen:

I have the honor to report the work done by the Milk Inspection Department for the year beginning January 1, 1927.

There were twenty-one dealers licensed to deliver milk from wagons; twenty-eight stores licensed to sell milk; and oleomargarine licenses were issued to five stores. Twenty-seven dollars in license fees were turned over to the Town Treasurer.

Seven hundred ninety-six chemical; two hundred eighty-one bacterial and two hundred seventy-nine sediment examinations were made on samples of milk from dealers supplying the town.

One hundred seventy-nine producers supply the dealers of the town with milk. From these producers there were examined two hundred sixty-six samples for chemical; one hundred seventy-nine samples for bacterial; and one hundred ninety-two samples for sediment content.

Ninety-six milk plant and one hundred twenty-four dairy farm inspections were made.

Six dealers sell pasteurized and fifteen sell raw milk in the town.

The highest bacterial count obtained during the year on pasteurized Market Milk was 739,000; and the lowest 16,000 bacteria per cubic centimeter. The highest count on Grade A pasteurized was 16,000; the lowest 700 bacteria per cubic centimeter. The highest count on raw milk was 1,890,000; the lowest 4000 bacteria per cubic centimeter.

Two hundred seventy-nine sediment cottons were gauged as follows:

Double Zero	10 Samples
Zero	71 Samples
No. One	134 Samples
No. Two	47 Samples
No. Three	14 Samples
No. Four	3 Samples

Respectfully submitted,

M. F. MASTER, B. S.

SLAUGHTERING OF ANIMALS

To the Board of Health,
Chelmsford, Mass.
Gentlemen:

Following is report of Inspector of Slaughtering for year 1927.

Slaughtered by licensed butcher, owners on their premises and inspected by me.

130 Cattle, 222 Calves 463 Hogs, 60 Sheep.

Of these there were condemned.

7 Cattle, 9 Calves, 8 Hogs, also Livers—5 and 100 lbs. meat.

All inspections have been reported to the State Authorities.

Respectfully submitted,

ALBERT S. PARK.

Board of Health,
Chelmsford, Mass.
Gentlemen:

Here-in find report of the "Inspector of Slaughtering" from October 1, 1927 to January 1, 1928.

The following number of animals have been slaughtered by licensed butchers, owners on their own premises, and inspected by me.

46 Cattle, 82 veal, 487 Hogs, Sheep none.

Of this list the following number of animals and pounds of meat have been condemned.

No Cattle, 8 Veal, no Hogs, no Sheep and approximately 130 pounds of meat for various reasons.

All inspections have been reported to the State authorities as required.

Respectfully submitted,

W. S. HALL, Inspector.

MIDDLESEX COUNTY EXTENSION SERVICE

The town of Chelmsford appropriated \$300.00 in support of the Middlesex County Extension Service, through the Trustees for County Aid to Agriculture for 1927. Following is a report of the work accomplished during the year:

In Agriculture thirty-eight farm visits were made, giving personal assistance to those requesting it. A dairy and field crop meeting was held during the winter which was attended by twenty-four farmers. A poultry meeting was also held, with an attendance of forty. There was an alfalfa field demonstration in Chelmsford for the benefit of those interested in growing this crop. Cooperating with the Middlesex North Agricultural Society talks were given on fruit growing and poultry at the Institute held in Chelmsford Center.

A large group of Chelmsford farmers are on the mailing list and received timely suggestions on orcharding, poultry and dairying.

In home-making two whole grain cereal demonstrations were given before about forty women, to show easy and satisfactory ways to make dark breads and rolls. A series of four Food Selection Meetings were also held, with an attendance of twenty women. Similar meetings were also held in East Chelmsford. A series of Home Improvement meetings have been started in East Chelmsford, West Chelmsford, and Chelmsford Center. Miscellaneous meetings including one with the Parent-Teacher Association, and a clothing meeting with a specialist from a commercial concern were also held.

In boys and girls 4-H Club Work 169 were enrolled in clothing, room beautiful, food, garden, canning, poultry and pig clubs. Mr. Perley Kimball, Thadde Ducharme, Mrs. Leslie Putnam, Mrs. Edwin Erikson, Mrs. C. M. Bridges, Mrs. David Olsson, Miss Esther Kochean and Stacey Krasnecke served as local leaders.

Thadde Ducharme represented the county at Camp Field, Brockton Fair. Adam Zabernick, a fourth year Garden Club member was awarded a medal by the Massachusetts Horticultural Society for outstanding work. Edna Palm, Mildred Erickson, Dorothy Taylor and Carl Johnson were awarded a two day trip to the Massachusetts Agricultural College for outstanding club work.

An Achievement Club program was conducted in conjunction with a Motion Picture show, and the exhibits at this meeting were one of the best in the county. Two other Achievement Club meetings were held in co-operation with the Parent-Teacher Association. The boys and girls also exhibited their products at the local Grange Fair.

Eight educational motion picture shows were given to a total attendance of 3,933.

In addition to the local work many Chelmsford citizens attended the County Picnic and the Annual Meeting of the Extension Service held in Waltham, also the county-wide meetings in poultry, dairy and fruit work.

PERLEY W. KIMBALL, Director.

FOREST WARDEN'S REPORT

To the Board of Selectmen of Chelmsford.
Gentlemen:

There have been 131 grass and brush fires in the town during the past year.

The most serious fire occurred at North Chelmsford on April 16 and 17, when a large area was burned over.

Beside the district Chiefs four Deputy Forest Wardens have been appointed: Raymond Sargent, Charles House, Walter Merrill and Fred Merrill.

Permits for fires in the open air are required between March 1, and December 1, by State Law.

Permits may be obtained in the various precincts as follows: Prec. 1, Ray E. Sargent, Prec. 2, Percy Ruberman, Prec. 3, Archie Cook, Prec. 4, Otto Grantz, Prec. 5, Sidney Dupee and Prec. 6, Robert Henderson.

SIDNEY E. DUPEE,
Forest Warden.

One Insurance Fund Commissioner for three years.

One Constable for one year.

All on one Ballot.

The polls will be open from 12 m. to 8 p. m. and to meet in the Town Hall of Chelmsford Center on the following; MONDAY, THE THIRTEENTH DAY OF FEBRUARY, 1928, at 9.30 o'clock in the forenoon, then and there to act upon the following articles, viz;

Article 1. To hear reports of Town officers and committees; or act in relation thereto.

Article 2. To raise and appropriate such sums of money as may be required to defray Town charges for the current year.

Article 3. To see if the Town will authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year; also in such other matters as may raise requiring in their judgment the action of such agent, and to employ counsel therefor.

Article 4. To see if the Town will authorize the Treasurer, with the aproval of the Selectmen, to borrow money in anticipation of the revenues of the current financial year.

Article 5. To see if the Town will vote to appropriate from money already in the hands of the Treasurer, a sum not exceeding Two Thousand Dollars (\$2000) to be used as a reserve fund at the discretion of Finance Committee, as provided in General Laws, Chapter 40, Section 6; or act in relation thereto.

Article 6. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars (\$400), or what other sum, for State Aid; or act in relation thereto.

Article 7. To see if the Town will vote to appropriate from money already in the hands of the Treasurer, a sufficient sum with which to meet unpaid bills of 1927; or act in relation thereto.

Article 8. To see if the Town will vote to authorize the Selectmen to contract with the Lowell Electric Light Corporation for the following additional lights, and will raise and appropriate sufficient money to meet the expense thereof, viz;

Four lights on Proctor Road.

Five lights on Carlisle Road.

Two lights on Coolidge Street.

One light on Pine Hill Road.

One light on First Street.

Five lights on Richardson Road.
or act in relation thereto.

Article 9. To see if the Town will vote to accept Manning Road as laid out by the Selectmen as shown by their report duly filed in the office of the Town Clerk, or act in relation thereto.

Article 10. To see if the Town will vote to accept the relocation of High street as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

Article 11. To see if the Town will vote to accept Manahan street, so-called, as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

Article 12. To see if the Town will vote to accept and allow Warren Avenue to be laid out by the Selectmen for a distance of two hundred and twenty feet easterly from the end of that part of Warren Avenue that is now an accepted way; or act in relation thereto.

Article 13. To see if the Town will vot to instruct the Selectmen to layout that part of the Ledge Road, so-called, situated on the northwesterly side of the Dunstable Road, beginning at a point approximately one mile and a half from Vinal Square; or act in relation thereto.

Article 14. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5000), or some other sum, for the purpose of completing construction of Acton Road, so-called, two-thirds of the expense to be borne equally by the Commonwealth and County of Middlesex, namely Five Thousand Dollars (\$5000) from the Commonwealth, and Five Thousand Dollars (\$5000) from the said county; or act in relation thereto.

Article 15. To see if the Town will vote to raise and appropriate One Thousand Dollars (\$1000), or some other sum, for the purpose of gravelling and oiling part of the Old Westford Road, so-called; two thirds of the expense to be borne equally by the Commonwealth and County of Middlesex; or act in relation thereto.

Article 16. To see if the Town will vote to raise and appropriate the sum of Twenty-Five Hundred Dollars (\$2500), or some other sum, for the purpose of reconstructing Newfield street; or act in relation thereto.

Article 17. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3000), or some other sum, for the purpose of constructing a shed at the rear of the Town Hall at the Center Village for the use of the Highway Department; or act in relation thereto.

Article 18. To see if the Town will vote to raise and appropriate the sum of One Hundred and Fifty Dollars (\$150) or some other sum, for the purpose of purchasing a plan cabinet for the Town Clerk's Office; or act in relation thereto.

Article 19. To see if the Town will vote to raise and appropriate the sum of Twelve Hundred Dollars (\$1200), or some other sum, for the purpose of grading a portion of the grounds of the Westlands School, situated on the Dalton Road, the same to be expended under the supervision of the Board of Selectmen; or act in relation thereto.

Article 20. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500), or some other sum for a well and equipment, to be located in the village of South Chelmsford; or act in relation thereto.

Article 21. To see if the Town will vote to accept Section 25 A, Chapter 14 of the Acts of 1921, which reads as follows;

"In towns which accept this section the assessors may appoint and remove citizens of the town as assistant

assessors, who shall, subject to the supervision of the assessors, act as assistant assessors of the town and shall have all necessary powers therefor. In this section, the word towns shall not include cities; or act in relation thereto.

Article 22. To see if the Town will vote to dispose of the Howe Hand Fire Pumper; or act in relation thereto.

Article 23. To see if the Town will vote to raise and appropriate the sum of Three Hundred Dollars (\$300), or some other amount, and elect a Director, the money to be expended by, and the director to serve in co-operation with, the Middlesex County Trustees for County Aid to Agriculture in the work of the Middlesex County Extension Service, under the provisions of Sections 40 to 45, Chapter 128, General Laws of Massachusetts; or act in relation thereto.

Article 24. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3000), or some other sum, for the purpose of completing the grading, grassing and improving of the Common, at the Centre Village; or act in relation thereto.

Article 25. To see if the Town will vote to remove the fence surrounding the Common at the Centre Village; or act in relation thereto.

Article 26. To see if the Town will vote to raise and appropriate the sum of Fifty Dollars (\$50), for the purpose of purchasing a flag for the Centre Village; or act in relation thereto.

Article 27. To see if the Town will vote to raise and appropriate Nine Thousand Dollars (\$9000), or some other sum, for the purpose of widening, making alter-

ations and purchasing certain buildings at Vinal Square in that part of Chelmsford called North Chelmsford; or act in relation thereto.

Article 28. In the event of an affirmative vote under Article 27 in the Warrant for the Annual Town Meeting February 1928, to see if the voters will authorize and empower the Board of Selectmen to exchange the buildings, to be obtained from Sigmund Rostler, in accordance with said Article 27, for the land owned by James S. Wotton and others; or act in relation thereto.

Article 29. To see if the Town will vote to raise and appropriate the sum of of Twenty-Six Hundred Dollars (\$2600), or some other sum, for the purpose of purchasing two parcels of land comprising about two and one half acres, adjoining the school property at East Chelmsford on the easterly side of Carlisle Road. Said land to be used by the Town for school purposes; or act in relation thereto.

Article 30. To see if the Town will vote to raise and appropriate the sum of Fifteen Hundred Dollars (\$1500), or some other sum, for the purpose of installing a flush toilet system at the South Chelmsford School House, so-called, the money to be expended under the supervision of the School Committee; or act in relation thereto.

Article 31. To see if the Town will vote to accept Section 97, of Chapter 41 of the General Laws, with amendment thereto. Said Section of the General Laws reads as follows;

“In towns which accept this section or have accepted corresponding provisions of earlier laws there shall be a police department established under the direction of the Selectmen, who shall appoint a chief of police and

such other police officers as they deem necessary, and fix their compensation in an amount not in the aggregate exceeding the annual appropriation, therefor. The Selectmen may make suitable regulations governing the police department and the officers thereof, and in towns which are not subject to provisions of chapter thirty-one to the contrary may remove the chief and other officers at pleasure. The chief of police shall be in immediate control of all town property used by the department, and of the police officers, who shall obey his orders;" or act in relation thereto.

Article 32. To see if the Town will vote to have a light now located on the northerly side of the entrance to Brick Kiln Road at Gorham street relocated at the original location, namely at the intersection of Brick Kiln Road and Carlisle Road; or act in relation thereto.

Article 33. To see if the Town will vote to raise and appropriate the sum of One Hundred and Fifty Dollars (\$150), for the purpose of repairing the flag pole at the Centre Village; or act in relation thereto.

Article 34. To see if the Town will vote to accept from Fred E. Varney, M. D., the gift of a certain lot of land, to-wit; lots numbered 147, 166 and 136 on a plan of land entitled, "Plan of Land in North Chelmsford, Mass., belonging to Thomas J. Adams Est. and Charles W. S. Adams, scale 100 ft. to an inch surveyed July and September 1892 by Melvin B. Smith, C. E. with additions to November 1902 by Smith & Brooks, C. E's and additions to August 1919 recorded with the Middlesex North District Registry of Deeds, Book of Plans 44, Plate 17; subject to the express reservation and condition that said land is to be forever kept open as and for a public playground or recreation center under the provisions of Chapter 45, Section 14 of the General Laws, and that such playground be named and known as "The Varney Playgrounds"; or act in relation thereto.

Article 35. To see if the Town will vote to sell and convey the land and buildings situated on the Easterly side of the North Road, in the Centre Village, and generally known as the Old Grammar School; or act in relation thereto.

Article 36. To see if the Town will vote to appoint a committee to investigate the advisability of relocating Central Square in the Centre Village; or act in relation thereto.

Article 37. To see if the Town will vote to instruct the Selectmen to negotiate with the Massachusetts Department of Public Works for the purpose of having the said state take over and assume control of the following ways, viz; Boston Road from Billerica Line to Warren Ave., North Road from Princeton street to Crosby street; or act in relation thereto.

Article 38. To see if the Town will vote to authorize the Selectmen to negotiate with the Lowell Electric Light Corporation with reference to the abandonment of certain lights as recommended by the Selectmen in their report under Article 1, for the Annual Town Meeting February 13, 1928; or act in relation thereto.

Article 39. To see if the Town will vote to accept from the Standard Oil Company of New York the gift of a certain lot of land situated on the westerly side of Boston Road at the southeasterly termination of a curve formed by the intersection of said Boston Road and Acton Road, and more particularly described on a plan of land recorded with the Middlesex North District Registry of Deeds, Plan Book 50, Plan 19. Subject to the expressed condition that the said Town of Chelmsford shall lay out and construct a highway upon the described premises and shall cover the said highway with a hard finished surface within one year from the date hereof, and upon the further expressed condition that if the said Town

shall at any time fail to maintain or keep in repair after the said one year from the date of deed, the said premises, or the part not maintained or kept in repair shall revert to and become the property of the grantor free and discharged from the easement herein granted. Reserving the fee of the said property and the right to use the same for all purposes which do not interfere with the use of the said easement for street or highway purposes; or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Center of the town, South Chelmsford, North Chelmsford, and West Chelmsford, and at the School House, East Chelmsford, and at the Golden Cove School House, Westlands, seven days at least before the time appointed for holding the first meeting aforesaid.

HEREOF FAIL NOT, and make return of this Warrant with your doings thereon, to the Town Clerk, at the time and place of holding the first meeting of the aforesaid.

Given under our hands this twenty-seventh day of January, in the year of our Lord nineteen hundred and twenty- eight.

ROBERT W. BARRIS,
RALPH P. ADAMS,
GEORGE RIGBY,
Selectmen of Chelmsford.

- Princeton Street School, John Matson, North Chelmsford, Mass.
- Highland Avenue School, Edward Falon, North Chelmsford, Mass.
- Quessey School, Edward Carlson, West Chelmsford, Mass.

REPORT OF SCHOOL COMMITTEE

Your committee herewith submits its report to the citizens of Chelmsford for the year ending Dec. 31, 1927. Your committee feels

that the year 1927 has been a very successful one both from a financial and educational point of view. Our Parent-Teachers' Associations in the various sections of the town have shown unusual interest in School affairs and have co-operated in a very wholesome manner with all the school faculties and School Committee. Our Superintendent has kept in close touch with the work done in all our Schools. Splendid co-operation has been manifested by all concerned in the educational system for the welfare of the schools.

Several new teachers have been enrolled on the teaching staff this past year. Miss Mary Garvey's untimely death this fall in England came as a severe shock to all parties connected with our educational system and her absence is keenly felt by her many friends and co-workers. Mr. C. Owen Green, a graduate of Bates College, was elected to fill the vacancy.

Last year our Supervisor of Drawing tendered her resignation, and after a thorough consideration on the part of your Committee it was unanimously voted to discontinue that department temporarily and inaugurate a Department of Physical Education. We believe that the physical welfare of the children in our schools is a matter of fundamental importance and feel sure that the results obtained in that field of endeavor will justify our action. Aside from the immediate results obtained from training the children in Health Education we also hope to stimulate a healthy interest in athletics—both in the High School and to a less extent in the Grammar Schools. Mr. Thwing, a graduate of Aurora College, was elected to the position of Supervisor of Physical Education and the results of his efforts to date are very gratifying. He has already organized, and equipped High School Football and Basketball teams and is doing splendid work in the elementary schools as well. Mr. Horace Hobbs was elected to succeed Mr. Alden as principal of our High School and he has already demonstrated splendid administrative and teaching ability.

Much of the repair work your Committee had planned to do this past year had to be curtailed due to lack of funds. Only \$2000.00 was appropriated for that work whereas \$4000.00 was asked for. It may be well at this time to call your attention to some of the work your Committee feels should be done this year.

1. Painting exterior and general repairs of Highland Avenue School.
2. Painting exterior of Old Princeton St. School.
3. Painting exterior and redecorating interior of New Princeton St. School.
4. Painting exterior of Westlands School.
5. Installing Flush Toilet System at the South Chelmsford School.

We are asking for the sum of \$3800 under Upkeep and Repairs for the year 1928, believing that that sum will be sufficient to take care of the general work and also be ample to undertake the above mentioned items with the exception of the proposed Flush Toilet System at South Chelmsford. At the request of the citizens of South Chelmsford we are asking for a special appropriation to meet the expense of that install-

ation. An inventory of School property shows a valuation of \$527,000 and we do not believe that a yearly charge of \$3800 for the upkeep and repairing of that property is excessive.

At the last regular Town Meeting the sum of \$3500 was appropriated to install a Flush Toilet System at the Quessey School at West Chelmsford. This work was done last summer and the sum of \$271.48 was returned to the town.

Also, at the last regular Town Meeting the sum of \$2800.00 was appropriated to install a New Heating Unit at the South Chelmsford School. This work was completed during the summer vacation at a cost of \$2700.95—\$99.05 less than the amount appropriated.

This fall the Old North Row School was disposed of to Frank J. Garvey of North Chelmsford for the sum of \$550.00

Last year your attention was called to the congested conditions in all our schools—especially at the North Village. A special committee consisting of Dr. F. E. Varney, Mr. Royal Shawcross and the personnel of your School Committee was appointed at the last regular Town Meeting to study the general school housing conditions of the Town with special references to the school housing conditions at No. Chelmsford and the possible erection of a new grade school at North Chelmsford. This committee has given the matter much thought and have visited several proposed sites. The State Department of Education has been consulted in the matter and one of their Supervisors has visited Chelmsford and surveyed our School housing facilities.

In view of the unsettled economic conditions at the North Village it is very difficult to forecast what our school population will be in the future. Should conditions in the future warrant the erection of a new building at the North Village the land known as the "Varney Playground" offers a site that has many fine features and one which should be carefully considered. Should this site be selected for any future building it would be to a distinct advantage for the town to acquire those few lots of land lying between the "Varney Playground" and the West Chelmsford Road

Thanking all the citizens for their past loyal co-operation and anticipating the same in the future, we remain,

Willis L. MacComb
Frank J. Lupien
Edward B. Russell
Chelmsford School Committee.

REPORT OF SUPERINTENDENT OF SCHOOLS

TO THE SCHOOL COMMITTEE AND CITIZENS OF CHELMSFORD:

I herewith submit my fifth annual report as Superintendent of Schools, the 54th in the series of such reports.

I also transmit to you a "Financial Summary," the usual statistical tables and the reports of the other executive and supervisory officers, all of which merit your thoughtful study.

WORK OF THE YEAR

A careful diagnosis of the scores made in the Standard Achievement Tests, which were given last May in the fundamental subjects, shows steady improvement in reading. The rate of reading as well as the average scores in comprehension were better than the tentative standards, in most of our rooms. Our pupils due to special drill in "silent reading" for the past two years, in general are gaining the ability to read rapidly and silently glean the thought from the printed page much better than previously. Normal or high scores resulted in most rooms in Spelling, Composition and the four fundamental processes of Arithmetic. In Writing high scores resulted in the matter of speed or number of letters per minute, however in the matter of quality low scores were made in many rooms. I believe some of our teachers are still stressing speed in writing to the expense of quality though I feel that if we should adopt a new system of writing we would be able to show greater improvement in this fundamental subject. No doubt the ability to write well is a natural gift to many persons to a large extent, and whatever system may be used will make very little difference unless all our teachers refuse to accept written work unless it is just about as good as each individual child is capable of. If this is not required, then the fifteen or twenty minutes drill period in writing a day's about as good as wasted since the habit of good writing is determined by the way the child writes most and not during just the short drill period.

PROBLEMS

This last fall due to a large entering class, thirty-five pupils in grade one, at the Highland Ave. School, we were compelled to transfer the eighth grade in that school to the Princeton St. School. If we have another large entering class next fall at the Highland Ave. School, it appears from our present enrollment that we shall be compelled to transfer also the seventh grade as well as the eighth grade to Princeton St. thus requiring all four rooms at the Highland Ave. School for only the first six grades.

We have also been congested in grades one and two at both the Westlands and the Quessey schools this year, having 43 pupils at the first school and 47 at the latter. This is too many in the first two grades for any teacher to do full justice to as forty should be the maximum number of pupils given to any teacher, though 35 is considered to be a much better ideal maximum. If this increase continues, some relief will have to be provided.

Last fall 83 pupils from a total of 107 in our eighth grades last June or 77% of them, entered the Freshman class in our High School making the largest enrollment in the High School we have ever had at one time

or 226. At this time we have a total of 140 pupils in our eighth grades and assuming the same per cent of them will enter High School next fall as did this last fall, would make an entering class of 107 pupils in the High School. With the three higher classes this would make a total of 299 pupils in High School next fall. Assuming a few pupils may drop out of some or all these classes it seems to me a fair guess that we shall have at least 250 to 275 pupils in High School another fall. If that guess be right, I believe we shall have to add at least one more teacher to the High School staff if not two, since the teaching load per teacher is now just about all the present staff can carry. Furthermore, this increase would make it necessary to divide room 10, which we have been able to use this year as an auditorium, into two large class rooms.

TEACHERS

Last summer eight teachers left us to take positions elsewhere, five from the High School, two from the grades, our Supervisor of Art and Miss Mary A. Garvey, who had been abroad for the summer died in London just before she was about to sail to take up her work with us again. All these teachers had given faithful and efficient service for several years. Miss Garvey's rather sudden death was a great shock to all of us particularly in her own community where she was very highly respected as teacher and community worker.

Mr. Horace E. Hobbs was elected as principal of the High School from a strong field of forty candidates. In the short time he has been with us he has proved himself to be a fine organizer and administrator, as well as a thoroughly efficient instructor. The High School Principalship is an exceedingly responsible executive position and the Committee should be highly commended for the wisdom of their selection. Miss F. Christine Booth was elected as Latin teacher, Miss Jeanne M. Low, as French teacher, Miss Helen A. Reed as English teacher and Miss Edith M. Donahoe to teach History and Civics in the High School. Miss Jane E. McEnaney was transferred from grades 1 and 2 at the South School to the same grades at West Chelmsford. Miss Ellen F. Devine was elected to the third grade at the Center, Miss Catherine J. McTeague to grades 1 and 2 at the South and Mr. C. Owen Green as Principal of the Highland Ave. School.

Since we had received the benefits of a Supervisor of Art for several years and believed that practically all our teachers could now teach this subject efficiently, provided a well-graded course of study was put in their hands, it was decided that the need of a Supervisor of Physical Education was much more urgent. This course of study has been given to the teachers and most of them report that they believe they are getting fully as good results in the Art work as before.

Without first consideration to the health of the individual to be trained, there can be no complete educational program. The employment of school physicians and a full time school nurse to reveal present defects and "to follow up" in the use of remedial measures has done much to improve the general health of our boys and girls. However, these agencies need to be supplemented by a systematic program in physical education and it is because of this fact that The General Court of Massachusetts passed the law in 1921 requiring that, "good behavior indoor, and outdoor games and athletic exercises," should be taught in the Public Schools. I wish to repeat what I said in my first report five years ago, that a clear function of our schools is to teach pupils by means of organized play.

ORGANIZED PLAY

Obviates crime
Restrain the bully
Generates good feeling
Assists in discipline
Nullifies selfishness
Inculcates self-control
Zests Citizenship
Encourages the timid
Develops the body

Promotes health
Limits accidents
Awakens the spirit
Yokes social elements

More playgrounds are needed for the youth of our town. Several of our schools lack sufficient ground for play activities. Where this is true, more land should be taken by the town for development as playgrounds. Our playground at the High and Center Grade Schools should be graded and improved at the first opportunity. Last fall the High School boys with a few interested persons, who volunteered their services, did much for three or four weeks to make the field suitable for football and still it is not sufficiently up to grade to mark out the field for this very desirable game.

Mr. Ellsworth R. Thwing, who was elected as Supervisor of Physical Education in all our schools and Athletic Coach in the High School has rendered yeoman service and the splendid results he has obtained and is obtaining are truly remarkable, when we consider the many handicaps he has had to contend with. I hope all will give his report more than a cursory reading.

Shortly after school had commenced in September Miss Elsie Burne resigned as Supervisor of Music and Miss Charlotte L. Hyde of the North village was elected to fill her position. Just before the Christmas vacation Miss Marian C. Bradley resigned as teacher of grades 1 and 2 at the Westlands and Mrs. Marion S. Adams was elected to fill the vacancy. All our new teachers are giving excellent satisfaction and our other teachers are rendering the same faithful and efficient service as in the past.

SCHOOL COSTS

We hear much carping criticism of the increase in school expenditures in recent years from certain quarters as well as criticism for about all other payments made for the public welfare. The single item of greatest expense in the support of schools, as in all commerce, agriculture and industry, is the expense of labor, or for schools, teachers' salaries.

The following chart illustrates graphically the position of teachers in 1913.

CHART I.

Average income salary or wage of several groups in 1913:

U. S. Government Employees	\$1136
Ministers	899
All gainfully occupied persons	864
Factory workers	578
Teachers	512

Based on data from table 21, May, 1927, Research Bulletin of the National Education Association.

CHART II.

Comparison of teachers' salaries with earnings and incomes of various groups of gainfully occupied persons in 1926:

Average income of all gainfully occupied persons.....	\$2010
Average income of all persons having incomes less than \$3000....	1693
Average earnings of workers in 25 mfg. industries	1309
Average earnings of trade union members.....	2502
Average salary of routine clerical employees working under supervision	1200
Average salary of high grade clerical workers.....	1908
Average salary of U. S. Government Employees	1809
Average salary of teachers, principals, and superintendents in public schools	1275

These figures based upon a number of income and wage investigations cited in the May 1927 Research Bulletin of the National Education Association.

The above two charts sum up graphically the recent history of teachers salaries and incomes of gainfully occupied persons in general as do also the following statements:

1. In the pre-war period teachers were the lowest paid of any group of workers for which figures are available.
2. Salaries and wages of the population in general have substantially increased over pre-war figures.
3. Teachers' salaries have been substantially increased over pre-war figures.
4. Teachers' salaries still occupy a disadvantageous position when compared with those of other groups.
5. Further increases will be necessary in teachers salaries to lift them to an appropriate place in the economic scale.

TEACHERS' SALARIES

Maximum salaries of teachers fall of 1926, in the ten towns larger and the ten towns smaller than Chelmsford; towns arranged larger to smaller in population according to State Census of 1925:

	Grade Principals	Grade Teachers	High Sch. Prins.	High Sch. Men	Teachers Women
Maynard	\$1550	\$1300	\$3000	\$1800	\$1500
Stoughton	1500	1200	2500	1800	1650
Whitman	2000	1300	2000	2000	1600
Lexington	2000	1500	3000	2300	1800
Concord	2400	1500	3000	2400	1800
Franklin	1400	1300	3300	1700	1600
Grafton	1900	1350	2800	2000	1700
No. Andover	2000	1450	2500	2000	1800
So. Hadley	1700	1500	2500	1500	1700
Mansfield	1500	1200	2500	1800	1800
Chelmsford	1500	1300	2600	2100	1600
Spencer	1800	1618	2000	1500	2000
Walpole	1900	1500	3200	2000	1700
Millbury	1500	1500	2800	1600	1600
Gt. Barrington	1750	1350	2600	2000	1750
Dracut	1800	1400	—	—	—
Westborough	1350	1250	2000	1900	1600
Agawam	1800	1350	2500	2000	1800
Winchendon	1500	1300	2500	1900	1900
Uxbridge	1600	1600	2600	2000	1800
Hingham	1500	1400	3300	2700	1700
	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>
	\$35950	\$29168	\$53200	\$39000	\$34400
Averages	1711	1360	2660	1950	1720
Medians	1650	1341	2533	1914	1687

X Dracut has no High School.

From the above study we observe that both the average and median salaries for the group of 21 towns is greater in every instance but one than for Chelmsford. By median is meant that there are just as many towns that pay more as there are others that pay less.

From a similar study of the salaries of superintendents for the 10 towns larger and the ten towns smaller than Chelmsford it is found that the average salary of superintendents for the group of 21 towns is \$4197.00 and the median salary is \$3583.33.

Teaching is yet far short of being a profession as to financial reward given those who take up the work, which is now so exacting in requirements as to character, professional training and successful experience. The income promised by a line of work largely determines the type of human material doing the work, particularly if the compensation approaches closely the level of subsistence.

A reduction in teachers salaries, which was the virtual result of the loss in the purchasing power of the dollar around 1920, caused a rapid loss in normal school enrollments. Thousands of the best teachers left the profession. They could no longer maintain the standard of living teaching required. Increases in teachers salaries since 1920 has resulted in growth in attendance in teacher training institutions.

Recently it has been said there is an over-supply of teachers. There is an over-supply of people who are willing to **keep** school, but there is not an over-supply of trained teachers. There are really fewer teachers who have training equivalent to normal school graduation, than there are teaching positions in the United States and even normal or college graduates are not truly fully trained teachers until they have served their apprenticeship in the actual job of teaching for at least two or three years.

Teaching today is a highly skilled profession and two or four years training in the theory of Education does not complete ones training for teaching any more than a like amount of training completes the preparation of the lawyer, doctor or engineer. Actual experience is just as essential to develop skill in the one as in the other profession.

The following study with respect to valuation or ability to pay; total payments for school support from local taxation; and the rate of total tax per \$1000.00 valuation; for the seven towns larger and the seven towns smaller than Chelmsford in group 2, or the 79 towns of the state of over 5000 population, shows three facts:

1. Close correlation between valuation and rank of Chelmsford with respect to the average for the 15 towns of group II.
2. A low expenditure for support in Chelmsford with respect to the average for the 15 towns of group II.
3. A low tax rate in order to maintain schools in Chelmsford with respect to the average for the 15 towns of group II.

**DATA FROM ANNUAL REPORT OF DEPT. OF EDUCATION
FOR YEAR ENDING NOVEMBER 30, 1927.**

	Valuation of 1926 per pupil in net average membership, year ending June 30, 1927		Total for School Support from local taxation, year ending Dec. 31, 1926, per \$1000 Valuation.		Rate of total tax per \$1000 valuation 1926.	
	Amt.	Rank in Group 2	Amt.	Rank in Group 2	Amt.	Rank in Group 2

Totals	<u>\$90797</u>	<u>760</u>	<u>\$187.66</u>	<u>372</u>	<u>\$510.60</u>	<u>422</u>
Averages for the 15 towns.	\$6053.13	50 2-3	12.51	24 4-5	34.04	28

Table on next page shows the low cost of schools for Chelmsford with respect to the average for the following seventeen towns about Chelmsford.

Data from Annual Report of Dept. of Education for year ending Nov. 30, 1927; for the school year ending June 30, 1927.

Total for support per pupil in average membership.

Chelmsford	\$ 76.61
Dunstable	178.85
Westford	89.40
Groton	104.62
Pepperell	73.61
Tyngsboro	115.96
Dracut	63.55
Tewksbury	91.02
Billerica	80.61
Lowell	93.20
Carlisle	134.33
Littleton	103.65
Acton	87.30
Bedford	106.39
Concord	116.07
Lexington	97.61
Wilmington	63.35
Totals	\$1,676.13
Average for the 17 towns	98.60

From the above studies, charts and tables, it is very evident that Chelmsford rather than reduce its expenditures for schools needs to increase them, if she is to keep pace, with other towns of her size and ability to pay, in respect to the type of service rendered

ATTENDANCE

The per cent of attendance, 95.75 for all schools last year is the best record made in the past 12 years and is one very important factor providing the opportunity for the best of results from the school work. Last year a total of only 659 cases of tardiness was the best record with respect to tardiness for the past seven years. Both of these splendid records indicate most of our teachers, with fine co-operation of parents and pupils themselves, are succeeding in training our children in the essential habits of regularity and punctuality in school attendance.

HEALTH SUPERVISION

The "Health Supervision Summary" when compared with that of the previous year shows excellent results from the medical examination. The total number of defects found this fall was 1383, whereas the previous fall, 1248 cases were found. Nearly 100 less cases of carious teeth were found than the year before due largely no doubt to the work

of the dental clinic in the different schools. Almost twice as many cases of pediculosis and over 100 more cases of enlarged tonsils and cervical glands each were noted than in the previous fall. Such defects as poor vision and hearing, adenoids, enlarged tonsils or glands, to say nothing of malnutrition are particularly harmful to the physical and educational growth of our boys and girls. The number of cases treated during the year or 959 was a few more than was treated the previous year, when the number was 922. This indicates that parents are wisely heeding the reports of the results of the examination and the "follow up" work of the school nurse.

EVENING SCHOOL, PRINCETON STREET, NO. CHELMSFORD

Summary for School Year Oct. 27, 1926 to Apr. 7, 1927

Total enrollment, 42; membership at close of year 20; average attendance, 21.81; number certificates 19, (one blue seal); number sessions, 42.

NATIONALITY

Canadian French, 24; Finnish, 4; Polish, 4; Russian, 1; Swedish, 4; Lithuanian, 4; German, 1.

No. receiving first papers during school year, 7.

	Men	Women
No. between 21-25 inclusive.....	14	2
No. between 26-35 inclusive	4	1
No. over 35	15	1
No. between 16-18	1	4

TEACHERS

Beginners Class, Miss Genevieve E. Jantzen.

Intermediate Class, Miss Lucy T. Nordon.

The Evening School which started Nov. 7, 1927 for this year has been quite successful so far, having an average membership of about twenty-five students, though it is a pity that we could not double the membership. It is surely inspiring to see the matter of twenty-five adults who faithfully attend the evening school two nights a week, after laboring at their posts in the mill, factory, or quarry all day long, and many of them walk from two to three miles in order to be present. Truly it is remarkable how rapidly they learn to speak, read and write our language and this result of their eagerness to learn can only tend to make them a greater influence for good citizenship in our community.

In closing, I wish to say that I appreciate exceedingly the advice and loyal support of the School Committee, the splendid co-operation of the teachers, parents and pupils, as well as that of the different parent-teachers associations, in the interests of the schools.

Respectfully submitted,

C. H. WALKER.

January 23, 1928.

The figures in bold faced type show the number of pupils of normal age for the grade; those at right of bold faced type show the number above normal age or "over age"; those at the left show the number below normal age or "under age." With a well adapted course of study and not too arbitrary system of marking, a school system in general should show about the same percentage of "over age" and "under age" pupils.

REPORT OF HIGH SCHOOL PRINCIPAL

Mr. Chas. H. Walker,
Superintendent of Schools,
Chelmsford, Mass.

Dear Sir:

It is with pleasure that I submit my first annual report as the Principal of Chelmsford High School.

School opened in September with an enrollment of 225. This number has been divided into six homeroom groups, with the object of making each class group a unit. Room 10 is not used this year as a homeroom. All of the desks have been removed and placed in other rooms. By doing this, we have obtained a room which will seat all of the students in a general assembly. This general assembly has value in getting the students all together, at least once a week and enables us to get information across to them in a body. We have also had outside speakers address the assembly at different times, and have now instituted a form of rhetorical or assembly performances weekly, in which the pupils take part. We have not a sufficient number of the auditorium type of chairs for this room and so every time that we have an assembly we have had to borrow and carry over from the grade school, 50 or 60 of those chairs. Another thing which we sorely need in our auditorium is a platform in the front. At present we have none and there is consequently a great deal of unrest in the rear of the room when a person is speaking in the front, and cannot be seen because he is not elevated above the level of the students. When the chairs are removed to the side of the room we have a very fine room in which the pupils may hold their various parties and receive social recreation under the direction of the teachers.

Under the able direction of Miss Harmon and Miss Reed we have revived the old school paper and have developed the "Blue Moon" (a contraction of the school colors, blue and maroon.) This paper is constructed entirely within the school and appears about six or seven times a year at the time of the holiday seasons.

The five class periods have been lengthened to fifty-five minutes thereby giving the opportunity for the teachers to give ten or fifteen minutes a day to study in class under the direct supervision of the teacher of the subject pursued. This teacher is, I believe, best suited to give guidance to the pupil. By giving this short period of time every day, to the study of the subject, the student should be trained to study effectively, essentials of the advance assignment may be pointed out and emphasized by the teacher and attention may be given to the indiv-

idual differences of the pupils. The parents should remember that for the average pupil, at least two hours of study at home or outside is necessary.

We have added to our commercial course this year, a subject known as Introductory Business Training. This is offered the Freshman year in order to give those students entering high school, an idea of what the Commercial course includes, and enables them to decide if they desire to continue with that course. It is open as an elective subject to any pupil in school and is, I believe, one of the most practical subjects in our curriculum. Our commercial department is increasing yearly in number of students electing it. This year we have had to purchase four additional typewriters to satisfy the demand. In passing, I may say that I believe this to be one of the strongest departments in our school.

We have departed this year upon an enterprise, that of Physical Training under the able direction of Mr. Thwing. Each boy and girl receives instruction for two forty minute periods a week in this work. Besides athletic teams have been formed for internural and interscholastic competition. Our first football team, that of this year, had a very successful year, I believe, in spite of the absence of a victory; for the greatest value comes in the training that they receive in the give and take of the game.

The following is a report of the various funds in the school which are under the direct control of the Principal:

Balance of all Funds		\$ 837.56

In closing I wish to thank the teachers, the Superintendent, the School Committee and the friends of the High School for their hearty co-operation accorded to me. I also want to have all of the parents and friends understand that a most cordial invitation is extended to them to come and see us at work and to talk over our problems together at the school.

Respectfully submitted,

HORACE E. HOBBS
Principal.

REPORT OF SUPERVISOR OF PHYSICAL EDUCATION

Chelmsford High School,
Chelmsford, Mass

Mr C. H. Walker,
Supt. of Schools,
Chelmsford, Mass.

Dear Sir:

I take great pleasure in submitting my first report as Supervisor of Physical Education. At the beginning of the school year a program was organized whereby each grade in every school is visited once a week for a period varying from fifteen to thirty minutes for actual practice. The lesson consists of simple military formations, calisthenics, co-ordinated exercises and games. This outline is carried on by the room teacher, after having been demonstrated by the Supervisor, for a period of two weeks when the syllabus changed for a new one.

The interest on the part of the teachers and pupils of the grade schools is very gratifying, and I believe the benefit derived from this type of work is evident. Especially is this noticeable among those children who heretofore lacked the co-ordination between mind and body so necessary for immediate response to commands and executions.

The enthusiasm with which the children play the games involving team play, co-operation and good sportmanship is further evidence of the success which Physical Education is meeting. The lack of time and assistance prohibits regular personal instruction in the grade schools for the teaching of fundamentals of team play and competitive sports, but whenever possible, before school begins and at recess periods, this is being carried out.

It is my hope to drill all the children of the grades in preparation for an exhibition to be held in the spring. Prizes will be offered to the best group in marching, calisthenics, drill exercises, games and Field events.

In the High School, I feel that we are progressing in the accomplishment of our aims even though working with many difficulties, such as; limited time of class periods; lack of a High School gymnasium, proper gym equipment, boys' and girls' showers in the locker rooms; unusually large classes; and a woman director for the supervision of girls. Personally, I believe that more time should be given to Physical Training, both in length of period and number of periods a week, in order that the work might be more efficiently graded and to afford more time for individual instruction. At present, the boys and girls meet twice a week on alternate days for a period of approximately thirty minutes. Some fifty to sixty boys assemble on Monday and Thursday, while on Tuesday and Friday about one hundred and twenty odd girls are present.

For the first time in many years a football squad of about twenty-five members was outfitted by the Athletic Association and a schedule of four games were played. Even though every game was lost, we feel that the season was a success in that every boy participating was given a taste of interscholastic and individual competition, team play, self

control, and clean sportsmanship. To continue this program of athletics and free play for all, Basketball has been instigated in the schools which seems to be proving a success. Teams are being organized in the grade schools with the idea of playing inter-school games. In the High School not only the boys but the girls take part in this sport and to date about thirty boys and forty girls are endeavoring to be chosen as a member of the teams representing the school. At least a majority of this number are getting good wholesome exercise with a fair knowledge of the fundamentals of this sport. It is my plan to arrange an interclass basketball tournament for the boys and girls of the High School, to be run off in March. We hope to have, where possible, two representative teams from each class. Suitable awards will be presented the winning class teams, and this tournament will give every student an opportunity to compete.

If at the end of the school year we find evidence of those qualities so necessary for healthy and intelligent children, good character and moral development, one of the aims of our Physical Education program will have been fulfilled.

Respectfully submitted,

E. R. THWING.

REPORT OF SUPERVISOR OF MUSIC

North Chelmsford, Mass.
December 29, 1927

Mr. Charles H. Walker,
Superintendent of Schools,
Chelmsford, Mass.

Dear Sir:

Now that we are hearing music, good and mediocre, from so many sources, it is our duty to show the child the good, so that he may do his own choosing and choose wisely. It is my aim to have music appreciation in the schools at least once a week if possible. It stimulates the imagination, arouses various moods in the child, and at the same time, he is learning a great deal about it.

Also we must not forget the fundamentals. A great deal of time is given to note songs, and rhythm in the first and second grades. Staff notation is started in the latter part of the second grade and the more difficult fundamentals proceed step by step with the grades. Good sight reading is the most important.

In the High School music is compulsory for Freshmen and Sophomores, and elective for Juniors and Seniors. The girls have chorus twice a week, also the boys. A boys' and girls' glee club has been organized, and the orchestra meets once a week. Every other week or so, the entire school meets for one period of chorus.

I wish to thank every one for his or her co-operation, which I have found most helpful.

Respectfully submitted,

CHARLOTTE L. HYDE

REPORT OF SCHOOL NURSE

Mr. Charles H. Walker,
Supt. of Schools,
Chelmsford, Mass.

Dear Sir:

I beg to submit my yearly report of September 1926 to September 1927.

This Fall, 1392 children were examined and in going over the summary of defects, I find the increase due to four particular defects, namely: tonsils and adenoids, and pediculosis which were prevalent in all schools. Cervical glands were confined to West, Highland and Princeton Schools in a dangerous proportion of over 200 this year as compared with 90 in all schools in the Health Survey of last year. Where this defect is found the school physician asserts, that the general condition of these children was not as good as in previous years. Many of these same children had enlarged tonsils and poor teeth. This statement indicates that more corrective measures need to be taken.

It almost seems too much to ask that pediculosis, be removed by some parents, whose children are infected. However, I do feel certain that pediculosis could be eliminated from the schools if the parents gave persistent care to this lack of undesirable personal hygiene.

After three public notices by the local Board of Health that all children, before entering school be vaccinated, some of the children were sent unvaccinated, only to be sent home again.

Another reason which increases our defects in number are children beginning school, having from one to five defects each. I do hope that the local Mother's Club which today is a national movement, formed to discuss problems of child welfare, will take an extra step in the early part of the coming year, to employ physicians, that all pre-school children may be examined, and, therefore, if at these examinations, defects found are remedied, it will greatly reduce the number of defects found in our schools. A school health card will gladly be sent to those mothers who wish to take pre-school age children to their own physician for examination, after which the card is to be returned to the school.

A few years past school conditions, in some instances, might be attributed to causing ailments, but to-day the Chelmsford Schools are so renovated, and together with the teachers giving health instructions and in addition a physical instructor, it does seem that all we need now is more co-operation from the home, which will never be accomplished until parents have receptive minds; gained through reading, attending health lectures and severing the old prejudices.

I wish to thank all who have helped me in my work.

Very Sincerely yours,

MARY E SHEEHAN, R. N.

REPORT OF ATTENDANCE OFFICERS

Chelmsford, Mass.
December 31, 1927.

Mr. Charles H. Walker,
Superintendent of Schools,
Chelmsford, Mass.

Dear Sir:

In the period from Jan 1 until Dec. 31, 1927, there were (11) eleven cases of truancy from the different schools in our Town.

There was very little trouble experienced in any of those cases; in most every case we think you will find it is carelessness of the parents.

We found that we have received wonderful results from the schools because as soon as a case of truancy was brought to our attention we would locate the child and bring it back to the school, regardless of the time of day, so that the rest of the children would see that they would not gain anything by their truancy. We also found that some of the children needed a little encouragement.

We are glad to report such a small number of truancy cases from so many schools, and children that are attending school in Chelmsford, and also the fine co-operation that we have received from all the teachers.

Yours truly,

JOHN E JOHNSON
HAROLD C. KING

The report of the year 1927 would be incomplete without the publishing of a picture of the late Donald F Adams, who so efficiently served the town as constable and police officer for nearly five years.

Officer Adams was a young man of sterling character, manly disposition, who gave his all for the well-being of the town.

Born April 17, 1900

Died July 19, 1927
